Public Policy India | STRIDE
AN INITIATIVE BY PPI

SHAPING PUBLIC POLICY WITH

people, ideas and institutions

Public Policy India (PPI) is the first, largest and most vibrant pan-India community, advancing public policy and impact through community engagement, capacity building, and consulting and research.

STRIDE (Strategic Research and Impact Development Enterprise) is a new-age policy think tank bringing the perspectives of India's youth into policymaking and the impact sector.

Institutional Partners

80+

How we contribute to India's policy and impact ecosystem

01

Community Engagement

Creating spaces where policy conversations happen

- Monthly policy circles across 25+ cities
- City chapters building local policy ecosystems
- The Policy Post - weekly policy & career hub
- Peer learning networks and curated expert conversations
- Senior Executive Community, Pulse Surveys, and Policy Polls to drive meaningful engagement and insights

02

Capacity Building

Enabling professional growth, upskilling and meaningful career outcomes in the policy space

- PPI Talks - workshops and academic engagements
- Policy Career Navigator- 1,500+ structured career pathways
- Career resource databases and practitioner toolkits
- Virtual self-paced learning module

03

Consulting and Research

Turning community insights into evidence and action

- Strategic policy communication and outreach
- Youth engagement, mobilisation, and advocacy
- Programme design and implementation
- Public opinion, pulse survey and perception analysis
- Policy research and stakeholder mapping

Who we work with and why

80+ partners

Every domain that touches policy in India

Demand for policy careers is growing

So is the need for policy talent

Students, professionals, institutions, and employers all face fragmented access to the people, opportunities, and knowledge they need.

PPI bridges both sides of the ecosystem–connecting aspiring policy professionals with the institutions, opportunities, and networks that shape public policy.

WHATSAPP CITY CHAPTER
